Needs Assessment – Preliminary Findings to Date (09 Oct 2018)

OPT

Participants: 11 / 21 / 8

Date carried out: Ramallah

Preliminary findings:

- More than 66% of founders address their own need
- SESO challenge: Lack of awareness regarding the concept of an incubator and its role

Tunisia

SESO Needs:

- Strategic partnerships so to be able to advocate and spread awareness better
- Improve own impact measurement capabilities
- Increased capacity (human resources) to be able to reach into the regions and spread the impact

...more to come
