Promoting social entrepreneurship in the Mediterranean Region

Ongoing Activities

Mapping exercise and country study:

- Mapping of SESOs and SEs has been conducted and delivered by local consultants BRD.
- There are over 100 organizations supporting entrepreneurship in Lebanon
- The country study is under way. It should be finalized in the coming two weeks.

Promoting social entrepreneurship in the Mediterranean Region

Ongoing Activities

Advocacy Plan:

- An advocacy plan was developed for the roundtables, conferences and learning events.

SE competition scheme:

- A meeting was conducted to discuss the competition framework with Oxfam Novib experts.
- Work is in progress to align Med Up SE grants competition with the BADAEL competition.

This project is co-funded
by the European Union

Observations:

- In Lebanon, BADAEL, an EU MADAD funded project is being implemented by a consortium led by Oxfam. The project shares similar objectives and activities with Med Up.
