Al Hub’s Contributions to Naseej’s workstreams:

**2 Community Engagement**

## Al Hub's activities supported by Naseej: an overview

### Locations

Anbar (Al-Qaim district (Al-Obaidi villages), Al-Rummana district (Al-Rummana villages), Heet district (Al-Zawiya - Al Furat neighborhood), Fallujah

### Budget

€ 49.259

### Timeframe

6 months

### Naseej's workstreams

Stream 1 (Services Delivery)  
Strengthening support and referral services and reporting systems for women and girls GBV survivors

#### Stream 2 (Community Engagement)

Transforming the social norms that perpetuate GBV with a special focus on youth engagement.

#### Stream 3 (Policy Change)

Strengthening development and implementation of national GBV legislation

### Training of community mobilizers

**10 young community mobilizer** (50% male – 50% female) from 4 regions will participate in a 10-days training in Falluja **on SGBV and skills for conducting awareness raising sessions**

### Round table discussions on SGBV with community leaders and stakeholders

**12 sessions** in order to **engage community leaders and decision makers**, raising awareness on the importance of identifying, preventing and responding to SGBV for a positive sustainable change in gender relations, with a focus on the situation of widows, their vulnerabilities and overall the role of women in the communities and how to enhance their decision making power.

### Awareness raising session on SGBV

40 awareness raising sessions across all locations held by the mobilizers with men and women (separate) to discuss reasons behind SGBV, community perceptions and what can be done at local level

### 16 days of activism campaign

Seminars and conferences in each target locations to amplify the voices of those who **fight against SGBV**. 1 campaign will be hold to raise awareness among local communities.

### Coordination and activation of referral mechanism with active organizations in GBV and protection

Supporting women to identify the active organizations to addresses their cases in coordination with NGOs and INGOs. Targeting 50 people referred to specialized services.

This project is co-funded  
by the European Union
