

FOUNDATION OF UNITED FOR RELIEF AND SUSTAINABLE DEVELOPMENT (FUAD)

Fields of Activity

Child Protection, education, livelihood.

Vision and mission

FUAD's vision is to become the best and most **effective organization in the field of human development**. To realize this objective, FUAD is working on supporting capacities of the most vulnerable groups to achieve human dignity, sustainable livelihoods and quality education.

ACTIVITIES

FUAD program and activities contribute to: improve the **quality of education**; provide easily access to **clean water** for everybody; build a strong civil society based on **justice and equality**. They contribute to protect children from dangers and preserving their rights. And aim to achieve **equality between genders**, empowerment for women and young girls, and protection from all forms of violence.

MAIN ACHIEVEMENTS

- ❖ Emergency Relief operations especially during the waves of displacements in 2003, 2006 and 2014.
- ❖ 3.750 children and adolescents affected by conflict got benefits from child protection centers
- ❖ Strategic and organizational support project for civil society organizations, where 22 FUAD employees and 7 members of administration board were trained.
- ❖ Vocational training for unemployed youth of both sexes conducted for 252 individuals including 40 trainers on professions that could provide them with income (men's and women's hairdressing, women's sewing).
- ❖ Building partnerships for the integrated recovery of vulnerable communities, which included capacity building for local authorities (18) employees, training course for 30 community leaders and community dialogue sessions for 82 beneficiaries.
- ❖ Provide health and social support to 6000 beneficiaries (children, mothers and fathers) in Kirkuk Lilan camp.

FUAD's Contributions to Naseej's workstreams:

1

Service Delivery

2

Community Engagement

FUAD's activities supported by Naseej: an overview

Project title: Connecting work to end violence against women and girls in the MENA region

Locations

 AL-Izi (AL-Banjani), AL-Jihad, AL-Nidal (Blour) are areas located within Al-Muqdadiyah district in Diyala governorate.

Budget

 € 150.000

Timeframe

 January 2021
April 2022

Naseej's workstreams

Stream 1 (Services Delivery)

Strengthening support and referral services and reporting systems for women and girls GBV survivors 

Stream 2 (Community Engagement)

Transforming the social norms that perpetuate GBV with a special focus on youth engagement 

Stream 3 (Policy Change)

Strengthening development and implementation of national GBV legislation

Psychological support to 200 women and adolescents girls

A center will be established and equipped with necessary furniture and materials to provide individual **psychological and social support to GBV survivors.**

Economic empowerment for 50 women

Providing job opportunities for 50 GBV survivors, through training and **financial support** by granting of 357 IQD to start small projects.

Legal assistance to 200 GBV survivors

Providing legal assistance and consulting to GBV survivors. This work will be carried out by legal representation by providing legal advice also to adolescent girls.

Awareness-raising sessions for 2000 women, girls and youth

Awareness raising about **women's Rights**, GBV and reproductive health will be held by specialists in the field of protection, targeting women between 18-50, adolescent girls between 14-18, and young men between 16-24 years old.

Create a Facebook page to address and combat gender-based violence

The page will be used as a platform to **raise awareness** on women's rights, creating videos that aims to reduce GBV or publishing interviews and promoting dialogues with activists in the field of women's rights to educate and encourage women to overcome violence in any form.

This project is co-funded
by the European Union
