WHS's Contributions to Naseej's workstreams:

- 2 **Community Engagement**
- 3 **Policy Change**

WHS's activities supported by Naseej: an overview

Project title: Raising capacities to fight gender-based violence

Locations

Aden, Taiz and Lahij.

Budget

€ 50.000

Timeframe

July 2021

July 2022

Naseej's workstreams

Stream 1 (Services Delivery)

Strengthening support and referral services and reporting systems for women and girls GBV survivors

Stream 2 (Community Engagement)

Transforming the social norms that perpetuate GBV with a special focus on youth engagement ✓

Stream 3 (Policy Change)

Strengthening development and implementation of national GBV legislation ✓

Raising awareness session on women's legal rights for 100 women

Conduct 4 sessions of raising-awareness to increase women knowledge about their legal rights and early marriage issue.

Production and broadcasting a program about women's rights and early marriage during conflicts

Open discussion with the community about women's rights and the phenomenon of early marriage during conflicts by hosting women and men with different roles in the society, such as: lawyers, judges, or civil society activists.

Training 25 people on data collection and monitoring

In order to detect patterns of violence and discrimination against women this training will form experts on data collection to overcome the lack of reliable data and information, and increase the opportunities for pressure and advocacy.

Capacity building training for 30 police officers on protection of women and girls

Improve the sensibility and empathy of the officers working on gender equality issues by providing training on women protection according to the International Humanitarian Law.

Providing psychological and social support for 300 GBV survivors

Psychological and social support sessions for GBV survivors will be provided to support women to overcome their traumas.

This project is co-funded by the European Union
